IMPORTANT INFORMATION — WINTER

Important Winter Travel Conditions

1. Winter fog and driving conditions

- January is winter season in North India, and dense fog may occur during early mornings and evenings.
- Driving distances and travel times are estimates and may vary due to fog, traffic, road conditions or unexpected delays.
- If visibility is poor, the driver may need to reduce speed, delay departure or adjust the schedule for safety.
- Guest safety will always take priority over reaching a destination at a fixed time.

2. Monument opening and closing times

- **Taj Mahal:** opens 30 minutes before sunrise and closes 30 minutes before sunset. Closed every Friday.
- **Agra Fort:** generally open from sunrise to sunset.
- **Amber Fort:** generally open during daytime, with usual visiting hours around 8:00 AM–5:30 PM.
- **Hawa Mahal:** generally open from 9:00 AM–4:30 PM.

Monument timings may change due to government orders, maintenance, special events, security restrictions or other circumstances, and should be reconfirmed closer to the travel dates.

3. Delays and monument closures

- If winter fog delays the drive from Agra to Jaipur, the Jaipur sightseeing schedule may need to be shortened or adjusted.
- If a monument is closed, entry is restricted or insufficient visiting time remains, the itinerary will be adjusted according to the circumstances.
- Completion of every planned monument cannot be guaranteed in the event of severe fog, unexpected delays, official closures or safety concerns.
- Additional sightseeing or services outside the agreed itinerary may require separate arrangements and charges.

4. Comfortable and flexible travel

We will make every reasonable effort to provide a safe, comfortable and enjoyable journey. The itinerary is designed to avoid unnecessary rushing; however, flexibility is essential during the winter season.
