Ranthambore National Park: Three Safari Options

Ranthambore National Park is one of India's best-known wildlife destinations, famous for Bengal tigers, beautiful forest landscapes, lakes and diverse wildlife. You can choose from the following safari options, subject to official booking rules and availability.

Option 1 Shared Jeep Safari

- Open safari jeep, generally up to 6 visitors.
- Shared with other visitors unless the official booking arrangements specify otherwise.
- A relatively intimate wildlife-viewing experience.
- Suitable for couples, families and small groups.

Option 2 Shared Canter Safari

- Open safari vehicle, generally up to 20 visitors.
- Shared with other visitors.
- Suitable for guests who prefer a larger safari vehicle.
- An opportunity to explore the park's wildlife and landscapes.

Option 3 Private Jeep Safari for 4 Guests

- Request a dedicated jeep exclusively for your group of 4.
- Enjoy the safari together as a private group.
- A good choice for families, friends and wildlife photography enthusiasts.
- Subject to park regulations, official vehicle allocation, permit availability and applicable charges. A private jeep is not guaranteed until officially confirmed.

Safari booking & rates. We strongly recommend confirming your Ranthambore safari booking in advance to secure the best available rates and preferred options. Advance booking is generally more economical, while last-minute or emergency bookings may involve significantly higher rates and limited availability. Safari permits, zones, vehicle allocation and departure times are subject to official availability and park regulations. Guide India Tours will assist you with the booking arrangements and confirmation.

Please select your preferred safari option:

☐ Option 1 — Shared Jeep ☐ Option 2 — Shared Canter ☐ Option 3 — Private Jeep for 4
