Ranthambore Safari Options

Experience the thrill of exploring Ranthambore National Park, one of India's well-known wildlife destinations. Choose the safari option that best suits your group of four, subject to official booking availability and park regulations.

1. Shared Jeep Safari Smaller group experience

- Usually an open-sided 6-seater safari jeep, with capacity and accompanying staff subject to park rules.
- A smaller-group wildlife experience.
- Suitable for couples, families and small groups.
- May be shared with other visitors unless an officially authorised exclusive booking is confirmed.
- Zones and departure times are assigned by the booking arrangements.

2. Canter Safari Larger shared vehicle

- A larger open-sided vehicle, commonly around 20 visitors, subject to configuration and park rules.
- For visitors who prefer a larger shared vehicle.
- May be more economical than a jeep, depending on applicable rates.
- Shared with other visitors.
- Zones and timings depend on official allocation and availability.

3. Exclusive Jeep Safari Private experience request

- If an officially authorised exclusive jeep is available for your date, you can request a private safari.
- Ideal for guests who wish to travel with their own group.
- For your group of four, subject to permitted vehicle capacity and booking rules.
- Different from an ordinary shared jeep: a standard jeep booking is not automatically private.
- Arrangements, charges and availability must be verified before booking.

Optional safari dates

30 Dec 2026 · afternoon: a jungle safari after arriving at Ranthambore, subject to your arrival time and confirmed availability.

31 Dec 2026 · early morning: an optional safari before check-out and the drive to Delhi, which must be planned around the safari schedule.

Important safari information. Safari charges are additional and depend on the vehicle category, applicable fees and booking arrangements. Advance booking is strongly recommended for the Christmas and New Year holiday period. Timings, vehicle types, zones and permits are subject to official availability and park regulations. Bengal tiger sightings and other wildlife encounters cannot be guaranteed. Please carry valid identification as required for your booking. A morning safari on 31 December may delay your departure from Ranthambore and your arrival in Delhi.

Please let us know your preferred safari: Shared Jeep, Canter, or an Exclusive Jeep request. We will check availability and arrange the booking, subject to confirmation.
